

# York Railway Station: Location of Emergency Planning College Minibus

We have attempted to recreate the layout of York Railway Station to help you find our minibus pick-up point. Please let us know if you found this useful as we welcome your feedback.

## The minibus collections are subject to the event start and end times:

For all events that start prior to lunch, please contact Course Support - [epc.coursesupport@cabinet-office.x.gsi.gov.uk](mailto:epc.coursesupport@cabinet-office.x.gsi.gov.uk) - 01347 825181 for times.

For events which start after lunch, the minibus pickup time is 12.35 prompt, arriving at the College at approx. 13.00hrs (in time for lunch).

If you miss the minibus, please make your own way to the college at your own expense. Taxis are available at the front of the station.
